Student Confidential: Life as a Warrior

Cascia Hall
Sakowich Campus Center, Second Floor, Murray Lounge

Students only, please! Enjoy a candid opportunity to learn about the Merrimack experience from those who live it. Join your future classmates and learn about adjusting to college level work, living in residence halls, and getting involved on campus. This fun session will teach you what being a Warrior is all about!

Parent and Family Social

Merrimack Athletics Complex, Hammel Court

Parents and family members are invited to meet their future Merrimack family in a program hosted by the Provost's office featuring members of senior leadership from the Merrimack community along with young alumni and parents of current students. This social is geared towards answering questions a parent or family member of a new Merrimack student may have. Learn more about ways you can engage with us as you support your student through this exciting transition.
